ARUP

Proud sponsor of the 2019 USGBC-LA Green Gala

Arup is the creative force at the heart of many of the world’s most prominent projects. For more than 70 years, we have aspired to do work that makes a positive impact on the world. Today, we believe that delivering sustainable outcomes is critical to shaping a better world for ourselves and future generations.

Arup offers a broad range of professional services that combine to make a real difference to our clients and the communities in which we work. From 88 offices in 33 countries around the world, our 14,000 planners, designers, engineers, and consultants work together to deliver innovative and sustainable projects of all kinds.

We shape a better world.
