

TAKE THE PLEDGE

COMMIT TO A HEALTHIER BUILDING TODAY!

By committing to these 5 principles, you can make your building a more sustainable, healthier environment as a part of the Healthy Building Alliance! →

This affordable entry to point to building health will help guide you with best practices, individualized suggestions, and resources for your journey to improve building health.

IMPROVE AIR QUALITY

USE GREEN CLEANING PRACTICES

MAKE NATURE ACCESSIBLE

PROMOTE MOVEMENT

WATER QUALITY TESTING

DID YOU KNOW THAT:

- Indoor Air Quality can be 2-5 times worse than outdoor air quality?
- 50% of illnesses affecting workforces are related to work environment conditions?
- Employees that are satisfied with their work environment are 16% more productive, 18% more likely to stay in their job, and 30% more attracted to their company?

The Healthy Building Alliance was launched by USGBC-LA to create a commitment that all building owners, tenants, & individuals can make to provide healthy, resilient space to live, work, & play.

This program is an affordable entry point that anyone can make to provide healthy spaces for your employees, tenants, family members, and ultimately yourself. You make the commitment, you make the decisions on how you get there, and we help guide you on your journey.

Contact hba@usgbc-la.org or visit our [initiative website](#) for more information.

JOIN THE ALLIANCE

Welcome to the Great Indoors!
