

# THE TIME IS NOW!

*The Time is Now!* for Climate Action & Rapid Decarbonization.

*The Time is Now!* for Adaptation & Resilience.

*The Time is Now!* for Equity & Environmental Justice.

*The Time is Now!* for Racial Healing & Building Community Power.

*The Time is Now!* for a Healthy Post-COVID Future.

The events of 2020 punctuated the urgency of the climate crisis, the pervasiveness of racial inequities and environmental injustices, the impacts of housing unaffordability, and the vulnerability of our societal systems to handle disruptions. This is a recognition that our actions to combat climate change must be immediate, must be accelerated, and must be intersectional.

### SEE YOU ONLINE!

The 20th Annual Municipal Green Building Conference and Expo is a virtual event!

To gain access to the interactive web and mobile app, network with your community, and start scheduling your sessions, register for MGBCE 2021 today!

# MUNICIPAL GREEN BUILDING CONFERENCE & EXPO

FRIDAY & SATURDAY  
**MAY 21 + 22, 2021**  
SEE YOU ONLINE!

Since its inception in 2001, MGBCE has become the longest-running and largest gathering of leading sustainability and green building advocates within both the public and private sectors in Southern California.

Attended by 1300+ in 2020 with more than 60 exhibitors, this year we anticipate even more participants across two days from local government agencies, the building industry, and the public gathering to learn about green building principles, practices, and products.

## MGBCE 2020 HAD OVER 330,000 SPONSOR IMPRESSIONS
