AT SOCALGAS,
OUR MISSION IS TO BUILD THE CLEANEST, SAFEST,
MOST INNOVATIVE ENERGY COMPANY
IN AMERICA.

CLEANEST means an emissions-free gas grid and healthy environment for all.

SAFEST means a zero-incident safety culture where everyone, from senior leadership to the front line takes ownership and accountability for identifying and preventing incidents.

INNOVATIVE means evolving into a tech-first infrastructure company by expanding the potential of renewables to make California cleaner while continuing to deliver the reliability and affordability we always have.

CALIFORNIA DESERVES A CLEAN, AFFORDABLE, AND RESILIENT ENERGY FUTURE.
WE ARE DELIVERING THAT FUTURE.
